

An aerial, grayscale photograph of a suburban neighborhood. The image shows a dense residential area with winding streets, numerous houses, and several large, irregularly shaped ponds or lakes interspersed among the buildings. In the background, there are flat fields and distant mountains under a clear sky. On the far left edge of the image, there is a vertical bar with a rainbow color gradient, transitioning from blue at the top to red, orange, and finally green at the bottom.

SOLACOM

PRIVACY POLICY

OUR PRIVACY COMMITMENT

Solacom Technologies (Solacom) is committed to maintaining the privacy of individuals and companies that interact with us digitally.

If you have any questions or concerns about privacy that aren't addressed on this page, please feel free to [contact us](#).

OVERVIEW

This site is provided as a service to our customers and potential customers. Use of our site constitutes an agreement to follow and be bound by these terms and conditions.

Solacom reserves the right to update or modify these terms and conditions at any time without prior notice. Use of the solacom.com website following any such change constitutes an agreement to follow and be bound by the terms and conditions as changed. For this reason, we encourage you to review these terms and conditions whenever you use this website.

REGARDING PERSONAL AND CONTACT INFORMATION

Our website does not automatically collect any explicit personal information about visitors, such as name, phone number, email addresses, and addresses.

Information of this nature is obtained strictly on a voluntary basis (e.g., use of our contact form, directly emailing Solacom employees, or any other form of contact).

Personal information collected by Solacom is used by our company to contact persons to answer questions, distribute information/materials, or to commence/maintain conversations regarding Solacom products and/or services.

It is important that anyone communicating with Solacom is aware that their digital communication may be viewed by our

employees, associates, and third parties. It is the sender's responsibility to ensure that digital information, communication, and materials sent to our company (or any of its staff members and associates) does not contain sensitive information that they would not want shared or viewed by any person or entity beyond the explicitly stated intended receiver.

Exemption to the terms in the paragraph above is created if clients, associates, or any parties with pre-existing relationships with Solacom create and solidify legal/contractual privacy arrangements that supersede the terms above.

REGARDING PERSONAL AND CONTACT INFORMATION

INTERNAL MARKETING COOKIES

This site uses cookies to track user page visits, session lengths, and other statistics for marketing research and analysis purposes. No specific personal and contact information can be associated with these statistics unless a user has previously submitted personal information that can be indexed against their usage of the site.

EXTERNAL LINKS AND DOWNLOADS

Any external links to third party sites or materials found on our site exist for the purposes of user information. Solacom is not responsible for, and has no control over, the privacy practices or the content of these other websites. Users will need to check the privacy statements on these other websites to understand their policies.

Files, software, and other digital materials found on the internet may contain viruses and other risks. Solacom

can make no guarantee that files downloaded from our website or any externally linked sites will be without unwanted problems, virus, cookies, etc.

IN REFERENCE TO SOLACOM PRODUCTS, SERVICES, AND SOLUTIONS

Content on this website is provided without any guarantee of any kind and cannot be used as a reference point for any terms and/or conditions, warranties, or pricing points related to Solacom products, services, or solutions.

SITE SECURITY

Users are prohibited from violating or attempting to violate the security of the site, including, without limitation, (a) accessing data not intended for such user; (b) attempting to probe, scan, or test the vulnerability of a system or network or to breach security or authentication measures without proper authorization; (c) attempting to interfere with service to any user, host, or network, including, without limitation, via means of submitting a virus to the site, overloading, "flooding," "spamming," "mailbombing," or "crashing;" or (d) sending unsolicited email, including promotions and/or advertising of products or services. Violations of system or network security may result in civil or criminal liability.

Solacom will investigate occurrences that may involve such violations and may involve, and cooperate with, law enforcement authorities in prosecuting

users who are involved in such violations. You agree not to use any device, software, or routine to interfere or attempt to interfere with the proper working of this site or any activity being conducted on this site. You agree, further, not to use or attempt to use any engine, software, tool, agent, or other device or mechanism (including, without limitation, browsers, spiders, robots, avatars, or intelligent agents) to navigate or search this site other than the search engine and search agents available from Solacom on this site and other than generally available third-party web browsers (e.g., Microsoft Explorer, FireFox, Google Chrome, etc.).

Content of this website is provided without any warranty of any kind and cannot be used as a reference point for any terms and/or conditions related to our company's services.

USE OF THIS WEBSITE

This site and all its contents are intended solely for personal, non-commercial use. You may download or copy the contents and other downloadable materials displayed on the website for your personal use only. No right, title, or interest in any downloaded materials or software is transferred to you as a result of any such downloading or copying.

You may not reproduce (except as noted above), publish, transmit, distribute, display, modify, create derivative works from, sell, or participate in any sale of or exploit in any way, in whole or in part, any of the contents, the site, or any related software. All software used on this site is the property of Solacom Technologies.

The content and software on this site may be used only as a reference resource. Any other use, including the reproduction, modification, distribution, transmission, republication, display, or performance of the content on this site is strictly prohibited.
